

Nozzle Type Vacuum & Gas Flushing Sealer

WELCOME PACK

■ MODEL VS-450M

■ SPECIFICATION

BODY	Stainless Steel
WEIGHT	Approx. 28 kg
SEALING LENGTH	450 mm
SEALING WIDTH	10mm
VACUUM CREATION	Vacuum pump
ELECTRICITY	1ph, 110/220V, 50/60Hz
MAX. FINAL VACUUM	Generally 80 Kpa
VACUUM CONTROL	By vacuum degree (unit : kpa) or time (unit : 1 sec.) – Vacuum sensor built in
GAS FLUSHING / SEALING	Timer controlled
VACUUM VISUALISATION	Appears digitally on LCD
PROCESS SETTING	The controller has M1 ~ M5 mode to memorize various combinations of vacuum, gas flushing & sealing, besides S mode for only sealing and V mode for only vacuum & sealing. (Gas flushing function is option.)

■ MERITS OF WELCOME PACK VACUUM SEALER

1. PERFORMANCE & QUALITY

- 1) Major electric parts using DC 24V for stable performance
- 2) Controller using MYCOM for much more accuracy than PLC
- 3) Controller not boxed for effective radiation of heat leading to better durability.

2. CONVENIENCE

- 1) At M1~M5, 4 times of vacuum, 3 times of gas flushing, 1 time of sealing and cooling can be set.
- 2) Indicator of the operation and condition of machine (LCD, LED)
- 3) Controller easily detachable from the body
- 4) Counter able to set target work cycle No.
- 5) Big LCD screen

3. SAFETY

- 1) Key lock to prevent wrong setting by unauthorized persons
- 2) Work stop by automatic program
 - (1) The nozzle moves backward automatically, if there is no work for 60 sec. after the nozzle moves forward in vacuum process.
 - (2) The upper sealing bar goes up automatically, if 2 sec. pass after sealing starts.
- 3) Safety sensor to make the sealing bar up when any finger or any foreign material is caught between sealing bars
- 4) Circuit-protection fuses

4. MAINTENANCE

- 1) Automatic check of malfunction – The cause of any malfunction is shown on LED screen.

■ APPLICATION FIELD

INDUSTRIAL GOODS : Semicon, Medical, Optical, General Machine/Parts/Materials, etc.
FOODS : Meat, Fish, Vegetable, Grain, Nut, Oriental Hurb, Hot Food, etc.

Quality, Price & Full Customer Service to best meet your need
